

Community Connection

Use Online Meetings to connect with groups and organizations in your community.

◆ Want to meet with your community group using the Internet? ◆ Want to attend meetings, but avoid winter driving conditions? ◆ Want to attend meetings while working from home? ◆ Want to provide or attend training sessions, share documents or presentations? ◆ Want to gather your community group, quickly, in a creative, interactive session with full audio & video and no conference call charges?

Victoria County CAP Sites Association Community Connection Project.

VCCAPS is continuing to offer free online meeting opportunities for community groups in Victoria County and all you need is a computer, High Speed Internet and a microphone & speakers. A free headset (microphone & headset attached) is available to new users when they take part.

A full year of free Online Meeting opportunities, training and resources is available to individuals, groups, seniors and youth in Victoria County.

Who is using online meetings?

Since VCCAPS' Online Meetings started in 2010, over 20 groups and individuals made use of Online Meetings, with over 200hrs of access being utilized. Some groups taking part include....**Nova Scotia CAP Program/Victoria County Lobster Fisher Association 27 Management Board Society/VCCAPS Board of Directors/Ecology Action Plan/Victoria County Tourism & Recreation/Hike the Highlands/VCCAPS Fall & Summer Youth Initiatives /Victoria County Physical Strategy/NS Department of Economic & Rural Development & Tourism.**

Cost Effective, Reliable, Interactive.

Using Online Meetings to connect with community groups is cost effective, reliable and an easy to use experience. Attend meetings in the comfort of your office or home and avoid winter driving conditions, or supplement your face-to-face meetings during the winter months. Online Meetings offers a clear view of material and information and you can share documents, presentations, video, websites, and more!

Access to resources, training, online meeting opportunities.

Visit VCCAPS' Communication Portal – www.vccaps.com - where you will find information on how VCCAPS is promoting and supporting the use of Online Meetings and Webinars. You will also find access to a host of services like ...

◆ Free training tutorials ◆ Free online training services where you can receive individual or group training from the comfort of your home or office ◆ Access a gateway of resources, links and information ◆ Learn more about webinars and how they can help deliver a message to your targeted audience.
