

Local History & Heritage

Victoria County CAP Sites Association's History & Heritage Project

will provide opportunities to local residents and organizations to...

- share stories & memories about local history & heritage
 - digitize and archive photos and documents
- take part in training on scanning, photo management and much more!

To learn more and start sharing your stories and memories, contact the project team:

Phone: 902-725-2760

Email: donna@vccaps.com or annette@vccaps.com

What's Offered?

Training - skill development training to your members on digitizing text & photos and creating other forms of multimedia (videos, slideshows).

Content Archiving - creating mobile digital collection opportunities that will give folks a chance to have their collections digitized for personal collections or to be included in VCCAPS' History & Heritage Network.

Record and preserve oral - local history & heritage stories.

Sharing Circles - opportunities to share stories as a group.

Heritage has a human face and VCCAPS would like to help share the faces of history. Let us help you to tell your stories and preserve them as a digitized collection to share with future generations.
